

2020 Auction Donations

This year we will be doing one large basket from each class. There is a sign up for each grade level with a link below listed by the basket theme. Each link will have choices to help us fill those baskets.

We are also open to suggestions of items that will help us fill these baskets.

There is also an "Everyone/All Others" section with larger items and for those who would like to donate more.

Please do not feel that you have to buy larger items. You can purchase Amazon Gift Cards so that we can use those towards the larger items and some filler items for each basket, or team up with other parents in your grade to split the cost.

Each item has a link to Amazon for an example of what the committee is looking for. We do not need the exact items listed. You can walk into local stores and buy the items directly.

Please have all items delivered to the School Office by Feb 14, 2020.

Class	Assigned Baskets:	Sign Up Genius Link
PreK3	A Break for Mommy	https://signup.com/go/vNgccZu
